## About RescueLoris (\$LORIS)

Welcome to RescueLoris, the helping Slow Loris Meme Coin that's here to change the world, one endangered species at a time.

In a world where the power of community and technology can be harnessed for good, RescueLoris stands as a beacon of hope. We're not just another meme coin riding the waves of the crypto craze. We're on a mission to make a real impact by channeling the energy, creativity, and resources of the crypto community into something profoundly meaningful: saving endangered species.

## Why RescueLoris?

The adorable Slow Loris is more than just our mascot; it's a symbol of the delicate beauty and vulnerability of all endangered species. With RescueLoris, we've taken the playful nature of meme culture and infused it with a powerful purpose—to protect and preserve the creatures that share our planet.

## How Does It Work?

RescueLoris operates on the blockchain, leveraging the speed, security, and eco-friendliness of this cutting-edge technology. Every month, **\$LORIS** sales are used to make donations to wildlife conservation organizations. But it doesn't stop there. When you purchase a RescueLoris NFT, you're not just acquiring a unique digital asset, you're directly contributing to the survival of endangered species around the globe.

## Join the Movement

RescueLoris is about more than just making a quick buck. It's about making a difference. By joining us, you're investing in a future where every transaction you make helps preserve the earth's biodiversity. You'll be part of a vibrant, passionate community dedicated to learning about and protecting species that are on the brink of extinction.

Imagine a world where your financial investments contribute directly to the preservation of nature. A world where your passion for crypto aligns with your love for wildlife.

That's the world RescueLoris is building, and we want you to be part of it. Let's change the world together, one Slow Loris at a time.

Join us. Invest in RescueLoris! Protect our planet!

## Community Engagement

Welcome to the Heart of RescueLoris: Our Community

At RescueLoris, we believe in the power of people. Our community isn't just an audience, it's the driving force behind everything we do. Here, your voice matters, your creativity is celebrated, and your actions have a real impact on the future of endangered species. Together, we're creating a movement that combines the fun of meme culture with the serious business of wildlife conservation.

## Community Driven Impact

What sets RescueLoris apart is our commitment to putting power in the hands of our community. As a **\$LORIS** holder, you're not just an investor; you're a guardian of our planet's most vulnerable species. Our community will have the ability to vote and decide which wildlife conservation organizations receive donations. This is your chance to make your voice heard and be part of a movement that turns crypto profits into real-world conservation efforts.

## Vote for the Future

One of the most powerful aspects of the RescueLoris community is the ability to influence where our donations go. As a **\$LORIS** holder, you get to participate in regular votes to decide which wildlife conservation organizations receive our donations. Your vote has the power to make a real difference in the survival of species on the brink of extinction. Whether it's protecting the habitat of the Slow Loris or supporting rescue efforts for other endangered animals, your input shapes the future of our planet.

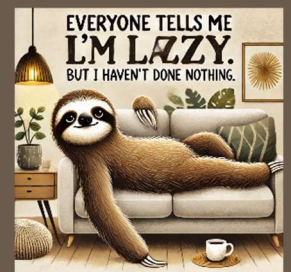

## Unleash Your Creativity

What's a meme coin without memes? At RescueLoris, we celebrate the playful and creative spirit of our community. We invite you to create and share your funniest, cutest, and most inspiring memes featuring endangered animals. From the lovable Slow Loris to the majestic Amur Leopard, let your imagination run wild. Whether you're a seasoned meme maker or just getting started, we want to see your creations!

## Post, Share, and Win

Once you've crafted your meme masterpiece, share it with the RescueLoris community on our Telegram channel. This is your space to connect with fellow **\$LORIS** holders, swap ideas, and spread the word about our mission. The best memes will not only bring smiles to the community but also have the chance to be featured on our official channels and in special competitions with exciting rewards. Win more **\$LORIS**!

## Be Part of Something Bigger

By participating in our community engagement initiatives, you're doing more than just having fun, you're helping to build a brand that stands for something meaningful. Every vote, every meme, every interaction in our community channels brings us closer together and strengthens our impact on wildlife conservation.

## Vision in a Nutshell

- Use the capital that is made in crypto to help our endangered animals and our planet.
- Provide real world value and fun and investment possibilities at the same time.
- Give the donator not only a boring donation receipt, but a NFT showing the individual animal that is supported.
- The community votes on the organizations that are supported.
- Blockchain technology and NFTs to automate and upscale donating.
- Use AI image generation tools to create funny memes in seconds.

## Team Worldwide

- IT specialists from Germany
- Blockchain enthusiasts from different European countries.
- Webdesigner from China
- Artists and Telegram mods from all over the world.

The core team setup:

## Choosing the right organizations

Our project shall have a significant impact on the budget of the supported organizations. Therefore we decided to start with smaller orgs. Their focus should be on endangered animals.

After some months and when enough money came together, we can start adding bigger organizations.

Criteria are: Successful work for at least 5 years with proven results in saving endangered animals and growing their population. Possibility to receive donations on a crypto wallet as we want to stay in the crypto eco systems and not go via banks or third parties.

## Tokenomics

- Ticker symbol: **\$LORIS**  
Contract Address: **9EFV1UWaRbg\$APiitzmyfeQ38sPyMD2Hp3BaB\$4KY\$YM**
- Total Supply 1.000.000.000 token
- Mint Authority Revoked (no more tokens can be minted. No dilution possible)
- Freeze Authority Revoked (team has no control anymore over freezing accounts)
- LP tokens burned (Liquidity Pool tokens were burnt, so no rug pull possible)
- 5% CEX listings (getting listed on bigger exchanges is incredibly expensive)
- 5% Marketing and Community Incentives, giveaways, reward for meme contests
- 5% Team (development, website hosting, software tools)
- Once a month, team will transfer all from the donation wallet to the wildlife organizations according to what the community decided on. Donation receipts will be published for full transparency
- NFT trading royalty 100% donated

## Roadmap

-  Setup website, Telegram, Discord and X channel
-  Build YouTube channel and content
-  Creation of **\$LORIS** Token on Solana
- Get listed on Dextools and Coingecko
- Enlarge team of NFT artists
- Regular meme competitions
- Find more wildlife preservation organizations
- Community votes to decide on donation distributions
- Get listed on CoinMarketCap
- Get listed on Exchanges (CEX)
